

# Amalfi Coast, Italy

October 10-16, 2023

***Looking out towards the sea and Capri Island, May 2023***

**Once again we are privatizing the 5\* Villa Hotel which our May 2023 guests LOVED!! We'll be touring by bus & ferry for maximum convenience**

On this tour you will see the Amalfi Coast from all three perspectives – land, sea and “air”.

We’ll drive on one of the world’s most spectacular roads, we’ll sail along the coast and we’ll take the fabulous “path of the gods” hilltop hike and see the coast from above ....as if from the air!!

If you’re a serious cyclist, you can also take a guide and cycle through the mountains!!

Heard of **Vietri** pottery? We’ll see it at the source at **Vietri-sul-Mare**, where we are staying.

Of course we’ll be in bustling **Sorrento**, take a coffee in elegant **Positano** and marvel at the beauty of the capital of the coast, **Amalfi**. We’ll enjoy the grandeur of hilltop **Ravello**, famous for its views, its concerts, its villas and their gardens.

Then there’s incomparable **Pompeii**. When you come to August 24<sup>th</sup> each year, you will always remember your fascinating professional guide and the date, 24<sup>th</sup> August, the day Mt. Vesuvius erupted and buried Pompeii alive.

The area boasts 3 of the best-preserved Greek temples in the world at **Paestum**, dating from just after the destruction of the first Bet HaMikdash!!

Unforgettable **Capri**: you’ll be sailing with the sun in your face and sea breeze in your hair for a few hours of magic on that most romantic island, where the chair-lift to heaven is just one of the ways to enjoy the island to the full.

## **We will visit:-**

**The Amalfi Coast by boat – there are stops in Amalfi, Positano, Capri and Sorrento**

Amalfi – we'll stroll around this busy little town, look at the church and its art (for those who so wish) or browse in the stores and "live the life". There is also a lovely museum of paper-making at the end of the village which was probably owned by Jews... 1000+ years ago.

**Ravello – a bus will take us to the "high-point" of the coast with its breathtaking Villa Cimbrone gardens and views.**

**Vietri-sul-Mare – very close to where we are staying is the town made famous worldwide by its colorful pottery.**

**Take an hour or so to look at the traditional and modern ceramics still being produced here.**

**Vietri pottery is sold worldwide – here you can see it at its source and watch artisans at work.**

Paestum – we'll learn so much on a guided tour of the world's best preserved Greek Temples (yes, *Greek* – from the time when the Greeks colonized Southern Italy). They are among the best preserved in the world and date from about 550 BCE, just 35 years after OUR 1st temple was destroyed in Jerusalem תובב"א.

We **NEED** exercise!! The "pathway of the gods" is a 3-hour medium difficulty hike on top of the cliffs above the Amalfi coastline with some of the ultimate views of the coast. For many this is THE highlight of the whole tour....

**Positano is one of the most famous must-sees on the coast with its spectacular approach from the sea. No transport in Positano center (same as in much of the region) so it's a bus down from the "pathway" and then a gentle saunter through the town ending at the port at the bottom.**

**For those who for any reason do not hike we can order you transport for an enjoyable morning and then meet us for lunch**

**Capri is unique in many ways: we will see Anacapri at the top and Capri town with its beautiful stores set in the centre of the island blessed with stunning views. Click here for some atmosphere <https://youtu.be/QrPKJlmaF8A>**

**Not into shopping? Good!! You can take the cable car to the summit, or take a walk away from the fancy shops to appreciate the natural beauty spots and, but whatever you choose you'll want to sit to enjoy a drink in one of the see-and-be-seen coffee shops around the main square.**

**Heading back to the ferry – choose between a bus, a 20 minute downhill walk or take the funiculi -funicula (the song celebrated the nearby Vesuvius funicular)**
